Welcome to our fun menu which will hopefully wet your appetite. Talk to your friends, your family and of course your fiancée (the dish of the day) but also talk to us.

Your dreams are just a phone call away. We are honest, approachable and devoted to providing good service, and we hope to bring you happiness at a very digestible price.

Entrée (The Ceremony)

This is the pinnacle of your day whether it's a non secular civil ceremony in an elegant location, or a traditional church service. With so many elements to consider from entrance to exit and of course the all important signing of the register, hopefully you can find the ingredients amongst this list for the perfect recipe.

Solo Violinist

Simple and effective, calming and dignified whether classical or contemporary.

String Quartet

Elegant and intimate; The personification of romance from Bach to Bacharach.

Harpist

The epitome of grandeur; Subtly bewitching and mystical.

Solo Vocalist

From "Ava Maria" to "I will always love you"; Songs to signify the sentiment of your service.

Pianist (Especially suitable for Civil Ceremonies)

A serene scene setter; Walk down the aisle to a classic interpretation of "Your Song".

Aperitifs (The Drinks Reception)

While guests mingle, looking forward with eager anticipation for the events ahead, why not entertain with low key crowd pleasing acts.

Pianist

The tinkle of ivory from classical to timeless swing; Or maybe some modern popular classics.

String Quartet

The sprightly sound of strings; 3 piece option available if there are budget constraints.

Solo Violinist

Jazz Ensemble

Sassy or sophisticated syncopation; Lets start "Making Whoopee".

(along with fellow guests) to put on their dancing shoes.**

by a music maestro.
